

PIEDMONT HIGH SCHOOL BOOSTERS CLUB

**Support Our Student Athletic Programs
Join Boosters Today!**

Did you know that over 75% of PHS and MHS students are athletes, playing 14 sports on over 45 teams? Sports are a vital part of our kids' educational experience¹. Given the diminishing state budget, your support is more critical than ever! Last year alone, PHS Boosters funded some approximately \$75,000!

PHS Boosters supports PHS and MHS athletes in ALL sports, including:

- **Athlete Health & Injury Prevention**
 - ImPACT concussion management program, and injury prevention speakers
 - Specialized Equipment
- **Equipment grants and budget shortfall support**
- **Parent Education Nights**
- **Need-Based Scholarships** for families who may require some help covering the athletic participation fee
- **Help fund critical study hall opportunities during off hours allowing student athletes to train and to study.**
